"Good Things to Eat"

That's all we carry. Whether it's a staple, like sugar, or a fancy table delicacy, like imported cheese, we have it, and in a quality absolutely dependable. Every product that enters this store must stand rigid examination. Each article is chosen from many brands offered, because it has proved its superior merit. Each brand competes for preference, and none gains a place on our shelves if it fails to measure up to our high standard of quality. One of the recent successful contestants for representation in our line is

ELECTA COFFEE

A smooth and dainty blend of selected, highland grown beans—the market's choicest.

The Electa process of slow-cooking and dry-curing preserves the genuine coffee flavor and improves it.

In using Electa Coffee you are sure of the finest quality—a satisfaction that in itself would make Electa worth more than other coffees.

Compare it with any you ever drank before. You'll like the rousing flavor and the glorious aroma.

Bourbon Circuit Court.

Special Judge C. C. Bagby, completed the call of the criminal docket in the Bourbon Circuit Court Tuesday, most of the cases which were minor infractions of the laws going over to the March term of court on account of the illness of Judge Harmon Stitt, who represented some of the defendants. Judge Bagby gave peremptory instructions in favor of the defendant in the case of the Commonwealth vs. William White.

He called the ordinary docket and assigned a number of civil cases for trial, the most important being the Prescott will case, in which Nathan Bayless and others are seeking to have the will of the late Mrs. Mary Prescott set aside.

The case was set for trial Wednesday, December 8, and subpoenas issued for nearly 100 witnesses. The plaintiffs are represented by Talbot & Whitney and the defendants by E. M. Dickson and Judge Denis Dundon.

The case of Lair Brothers vs. Lyle Jacoby was set for trial on Wednesday, and that of Paul Hanly vs. Bourbon Tobacco Warehouse Company, for Friday of the second week of the term.

Attorneys Ines Ross and John Morgan, of Carlisle, were in attendance upon court the former in the divorce case of Hall vs. Hall and the latter in the case of Barton vs. Barton.

On Wednesday James Myers, colored, of Claysville, was charged with selling liquors without license, was fined \$200 and costs, and \$40 and costs in another case on same charge. James Hawkins, colored, was tried on same charge and acquitted. After disposing of the criminal docket Special Judge Bagby granted divorces in cases of James Hall vs. Mary Hall and W. A. Miller vs. Mary Miller.

No Deal On.
